NOTES:

A submitted order is treated as a request for proposal. The execution of the order will take place after both parties have accepted the scope and terms of the order.

The costs of diagnostics/verification, service inspections, post-warranty repairs and unrecognized warranty complaints are borne by the Client.

The DEUTZ Polska Service Center may, at its discretion, delegate the order for direct execution by a third party belonging to the current network of authorized DEUTZ Polska service partners, which the Client accepts by sending the request.

I declare that I have read and accept the information clause on the processing of personal data.
